

March 2011

Further investment in Marex

Marex Financial Group acquired Spectron Group Ltd, which operates one of the largest global energy marketplaces for approximately £95 million. As a participant in the ownership of Marex, IAM participated in the financing of this acquisition and invested a further £800,000 into this transaction. Further information is available on Marex and Spectron at www.marexfinancial.com (this is not a IAM site).
